HEADPHONES

We are asking parents of school age students to provide a set of Headphones for use while working on their computer devices. This will allow your student to work independently with minimal outside noise and interference. Contact the child care office if you have questions or concerns.

A MESSAGE TO OUR PARENTS:

As we begin the new school year we are confronted with a new way of educating our school age children. Distant learning is offering challenges like we have not faced before.

As your childcare provider we will do our best to offer a center where your child can access the websites for North Mason Schools, Sand Hill Elementary, teachers and learning programs.

Our preschool programs will remain the same, preschool from 9:15 to 11:45 daily.

Our goal is to keep our children, staff and families safe, healthy and always learning.

Thank you for continuing to support our childcare program.

Stay well...
